

ORGANO™

GOURMET ROYAL Black Coffee

A classic with a twist. ROYAL Black coffee not only tastes good, it makes you feel good! We've Included a blend of the three most powerful mushrooms into high quality coffee for a healthy and energizing cup of goodness. It's easy, it's simple, it's coffee...with benefits!

WHAT MAKES GOURMET ROYAL BLACK COFFEE SPECIAL?

This exclusive coffee blend contains Ganoderma Lucidum, Cordyceps, and Lion's Mane. These powerful mushrooms are grown on certified organic purple corn in the US, and contain three times more antioxidants* to elevate your coffee game, lift you up, and keep you feeling good from the inside out, all day everyday.

WHAT THE GOURMET ROYAL BLACK COFFEE CAN DO FOR YOUR HEALTH

- It's a great source of organic energy
- Helps support your health and immune system
- Boosts your cognitive function for better focus and attention

6 oz.
(170ml)

Rich and flavorful

8 oz.
(225ml)

Smooth & creamy

10 oz.
(285ml)

Light & flavorful

You can also add a cup of cold milk of your choice, or simply chill and serve with ice for the perfect iced coffee treat.

LEARN MORE ABOUT ITS ROYAL INGREDIENTS

COFFEE BEANS FROM COLOMBIA AND BRAZIL

These beans are known for their high quality and flavor. With a smooth and flavorful taste, it has hints of chocolate and spice undertones.

GANODERMA LUCIDUM

Known as Reishi or King of Herbs, it provides triterpenoids and amino acids to help boost immune function.

CORDYCEPS

An 'adaptogenic' form of mushroom is trusted by athletes¹ to support their energy, performance, and endurance.

LION'S MANE

Grown on the bark and trunks of hardwood trees, it improves cognitive function² and gut health.
